\$1,500.00	Hydrant meter deposit required at the time the meter is checked out from the City.

Summer Sewer Rate

Your sewer **bill** for April through November is based on your average water used during the prior months of December, January and February. Your sewer **bill** for December through March is billed on actual water usage.

March 1-October 31 – Summer Sewer Rate

November 1-February 28 – Actual Water Rate

All accounts will be charged the monthly service charge for water (\$30.00), sewer (\$8.10) and storm drain (\$1.90) whether the water is turned on or off.
