### Northern Valley Athletic Association Code of Conduct

Northern Valley Athletic Assoc. executive board has established a code of conduct, in which we expect the young men and women who participate in the league to abide by as well as our Coaches and Parents. To eliminate any misunderstanding, the rules below should be read and the formed signed and returned. League participants will be expected to honor the following rules throughout the season. The rules will be in effect the first day of practice until the completion of the season. We reserve the right to revoke the privileges of any participant in this program of any infractions of the following rules.

#### COACHES, PARENTS, AND PARTICIPANT CODE OF CONDUCT:

1. Coaches, Parents, and Participants will conduct themselves in a responsible manner, realizing that as participants, they represent their respective chapter and community.
2. Coaches, Parents, and Participants will respect the rights of opponents and teammates and treat them with utmost respect.
3. Participants will be expected to honor any other rules established by the coach for the season.
4. Parents and Coaches need to remember that this is a recreational league. We want our players to be learning the basics about the sport or sports that they are taking part in.
5. The use of any obscene gestures and language by a coach, parent, player, or spectator will not be tolerated. A violation of this rule will result in the removal from them playing facility for the remainder of that game and the following game.  
 Second violation will result in being banned for the remainder of the season.

It is hoped that the attitude of the participant and parent towards a policy will be a positive one viewing the rules as necessary and reasonable guidelines set down for the benefit of the team and the individual. Any complaint concerning the program or the coaches must be submitted in writing, and signed by individual making the complaint and then given to a board member for board ruling.

**I have read the above rules and explained them to my child and I understand that my son/daughter will be governed by these rules as Northern Valley Athletic Association participants.**
