

At each hole one person will play tee to green with the yellow ball individually. The remaining players will play a three-person scramble. The two scores will then be combined for one total score. The yellow ball will be played on a rotating basis.

Since 1996, the Trapper Days Yellow Ball Classic has raised over \$56,000 for the Kelly Martinez Cancer Fund. This fund has helped hundreds of families in our Community who have had the misfortune of suffering from a severe medical hardship. Proceeds from the tournament benefit this fund, as well as the Fort Lupton Chamber of Commerce. The Chamber has been promoting business and building strong local business connections since 1938. Join us each month for our membership lunch, held every second Wednesday at 11:30 am.
