Delinquent Fees:

- \$15.00 Fee for nonpayment of delinquent water/sewer bill if not paid by 5:00pm the day prior to the scheduled shut off day as it appears on the shut off notice.
- \$15.00 Fee to restore water service if water is shut off. The nonpayment fee of \$15 and the restoration fee of \$15 an amount totaling \$30 must be paid before water is restored.

The following fees shall be paid prior to water being taken from fire hydrant:

- \$25.00 Permit fee per year to use water from fire hydrants, excluding Fort Lupton Fire Protection District and City; usage charged separately at the current rate.
- \$1,500.00 Hydrant meter deposit required at the time the meter is checked out from the City.

Summer Sewer Rate

Your sewer **bill** for March through October is based on your average water used during the prior months of December, January and February. Your sewer **bill** for November through February is billed on actual water usage.

March-October – Summer Sewer Rate

November-February – Actual Water Rate

All accounts will be charged the monthly service charge for water (\$34.65), sewer (\$16.60) and storm drain (\$3.80) whether the water is turned on or off.
