ATTENTION ALL YARD SALE JUNKIES! **MARK YOUR CALENDAR!**

THE CITY-WIDE YARD SALE IS COMING SOON! **FRIDAY JULY 18TH AND SATURDAY JULY 19TH**

You do not need a permit for any yard sale during this city-wide yard sale weekend, and this will not count as one of your four regularly allowed annual garage sales.

An address list will be in the July 16th edition of the Fort Lupton Press. **If you want your address included on the list and map, you must call City Hall no later than 5:00pm on Wednesday, July 9.**

An ARC Thrift Store truck will once again be located in the Safeway parking lot on Saturday, July 19th, between the hours of noon and 4 pm to accept donations of any unsold items. The following items will NOT be accepted: baby walkers-playpens-strollers-swings, child car seats, carpet materials, mattresses and/or box springs, curtain rods, window blinds, glass, unframed mirrors, gasoline yard appliances, propane tanks, hot water heaters, building materials, satellite dishes, car batteries, tires, paint, pressurized containers, chemicals or household hazardous waste.

If you have any questions, contact Nanette Fornof at 303-857-6694 x-101.

2013 WATER QUALITY REPORT

The 2013 Water Quality Report (Consumer Confidence Report) is now available. Over 2000 tests were carried out for over 80 drinking water contaminants. The City's drinking water met all State standards in calendar year 2013.

This year's report will not be mailed individually to customers. You can read the report on the City's website at: www.fortlupton.org. If you have any questions or want the report mailed to you, contact Mike Rousey at 720-466-6182.

Heritage Fair

Battle Vikings, dance with Mummers, talk with French explorers, admire the Buffalo Soldiers' horsemanship and more, May 3rd at the Heritage Fair at the South Platte Valley Historical Society Park. It's a perfect introduction for students to learn more about the origins of their city as they tour the 1836 fort, visit a local pioneer school house and homestead. The dedication of a newly restored 1850's fur trapper's log cabin that originally sat along the banks of the South Platte River will be at 1:00pm. Fair hours are 9:00am to 4:00pm. Admission is free, \$5 charge per vehicle for parking. Handicapped parking available and there will be a concession stand featuring buffalo burgers. The park is on WCR 14 ½, just west of the Highway 85 stoplight. More information at heritagefair2014@spvhs.org.

The Wounded Warriors Project Walk With the American Legion Post 102

The American Legion is doing their 3rd Annual Walk for Wounded Warriors on June 14th at 9:00am. The Wounded Warriors is an important program that provides medical services for our heroes that have been wounded while in the service of our country. Many times the insurance does not cover the extreme medical items the soldiers may need and the project steps in, not only to assist them but their families as well.

Last year \$5500 was raised for this purpose and this year we are aiming for at least \$10,000. We would greatly appreciate any monetary or material donation you could give to the cause. We also need people to get sponsors and walk with us! Please know that 100% of all proceeds go directly to the project.

The walk will start at the American Legion at 942 Denver Ave. We will walk to the library, then the cemetery, on the return we will walk to the Tastee Freeze, then back to the American Legion. Registration is 8:00am-8:30am and the walk begins at 9:00am. Please come and join us for this worthy cause! If you have any questions please call The American Legion 303-857-2468 or Sheena Taylor 720-224-3788.

FIRE HYDRANT TESTING & FLUSHING

The Public Works Department will be conducting fire hydrant testing and flushing in May for the purpose of increasing water quality and ensure that fire hydrants are operating properly throughout the city. You may experience low water pressure at times along with some cloudy or discolored water. If cloudy or discolored water occurs, run your **COLD** water for a few minutes to clear up your water service. **DO NOT RUN HOT WATER AS THIS MAY INCREASE CLOUDINESS.**

If you have any questions or concerns, please contact Public Works at 303-857-6694.
